

JecHacks

SPONSORSHIP PACKAGE

JULY 11th 2026, 10AM-10PM

Shaping the future of tech in Mississauga

About JecHacks

JecHacks is a non-profit 12-hour hackathon based in Mississauga, Ontario that's run by students.

This hackathon is for high school students of all skill levels to come together, learn, and build projects in a fun and collaborative environment.

Whether you're a coding newbie or a seasoned developer, JecHacks welcomes you to join us for an unforgettable experience of creativity, innovation, and community. We will provide food throughout the event, as well as workshops, and many prizes.

Our Vision

JecHacks' vision is to inspire and empower the next generation of tech leaders by fostering a supportive and inclusive community where students can explore their passions, develop their skills, and create impactful projects

Why Sponsor?

1. Empower the next generation.

Sponsoring JecHacks helps high school students explore technology, collaborate with peers, and turn creative ideas into real projects. Your support provides essential resources like mentorship, workshops, food, and prizes that make the event accessible and impactful.

2. Support Learning and Innovation.

JecHacks welcomes students of all skill levels, from beginners to experienced developers; giving them the opportunity to build projects, learn new technologies, and gain hands-on experience solving real-world problems.

3. Gain Meaningful Community Impact and Visibility.

Sponsors gain visibility among motivated STEM students while strengthening their presence in the local tech and education community, demonstrating a commitment to innovation, youth development, and future talent.
